THE HEART OF SODIC WEST

SSC

SODIC SPORTS CLUB

SODIC Sports Club, located in the heart of Sheikh Zayed, has the primary objective to foster the growth and development of Egyptian youth by promoting sports, social, and cultural education among all its members.

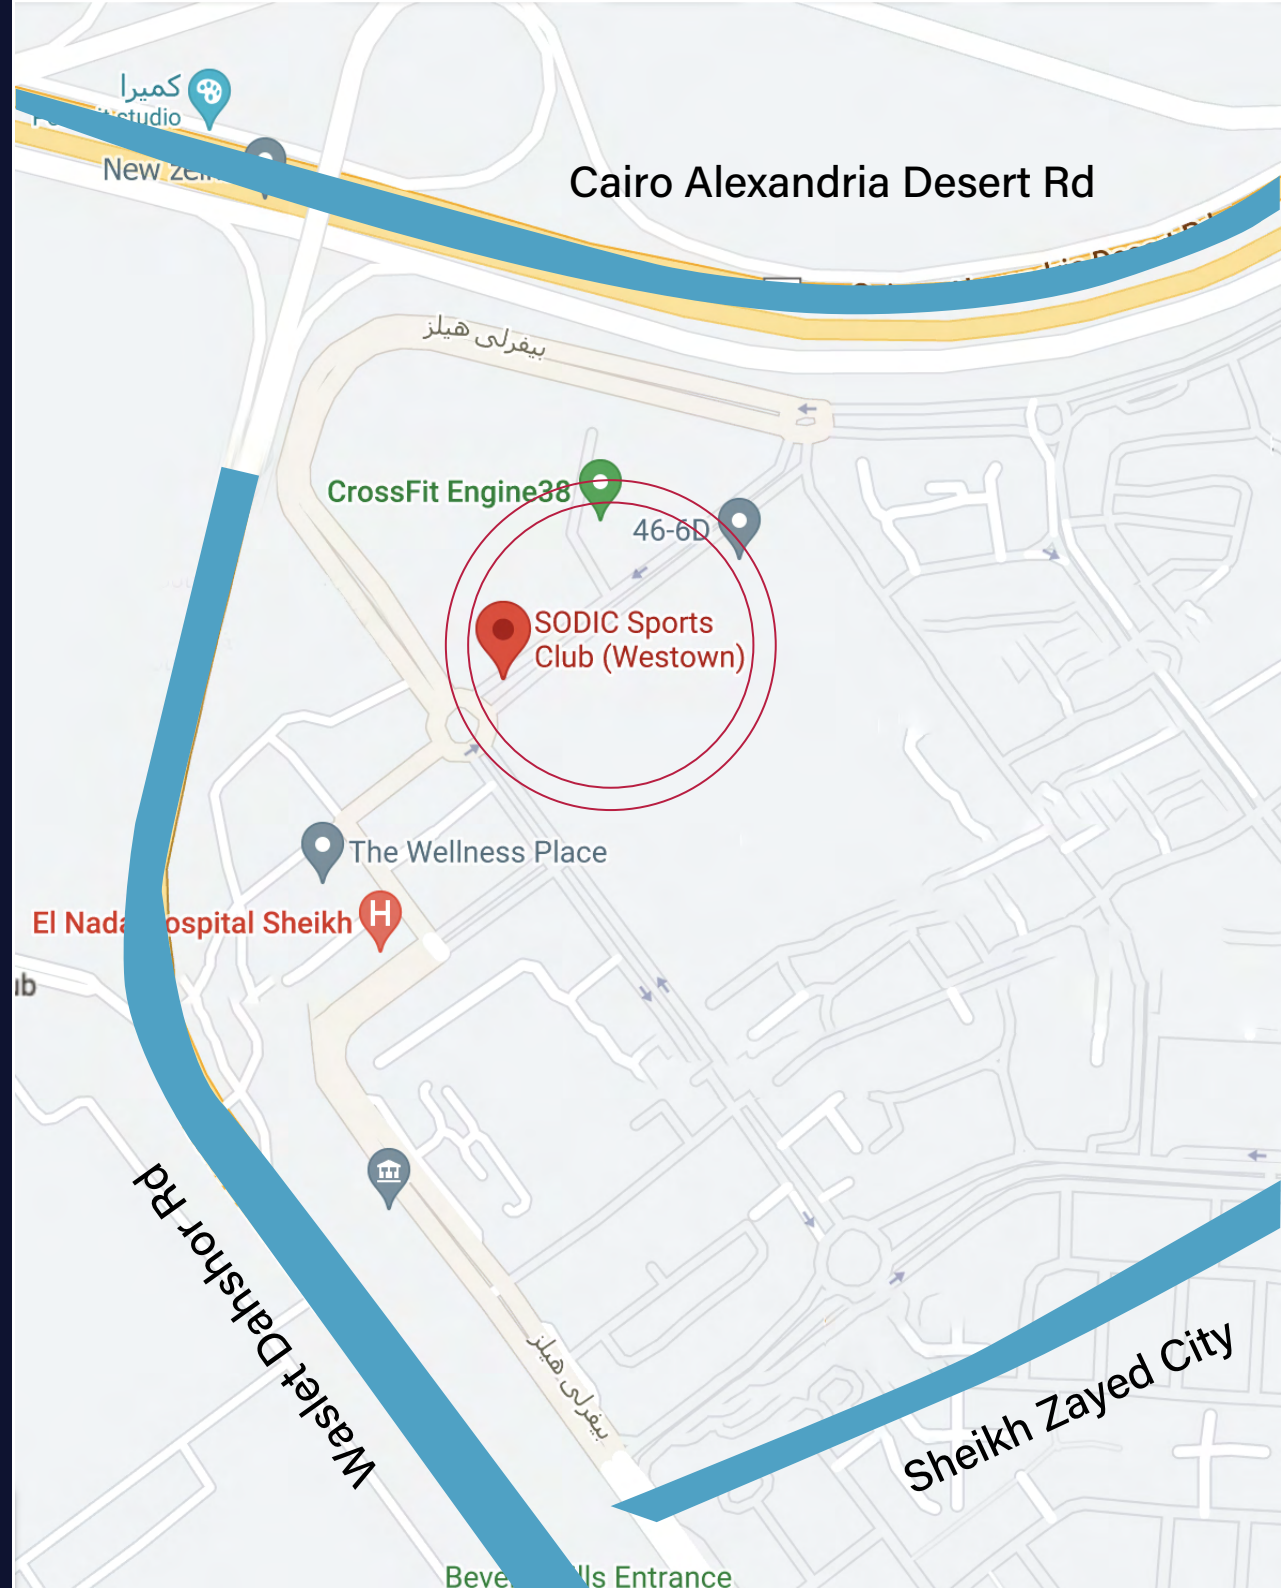

SODIC Sports Club has acquired the Ministry of Youth and Sports license, making it possible for our community members to participate in national and international sports competitions.

At SODIC Sports Club, we aim to train children from an early age in various academies such as tennis, water polo, swimming, football, basketball, judo, and more. These academies offer a structured training program for athletes of all ages and skill levels, providing them with the opportunity to become the future champions.

Our goal is to create a safe environment for family members where the club becomes a home away from home. A place where they can become the best version of themselves, create unforgettable memories, and form lifelong friendships.

LOCATION

The club is easily accessible to SODIC and non-SODIC residents, ideally located between two main roads (Cairo Alexandria Desert Road and Waslet Dahshour Road), & direct proximity to Sheikh Zayed City.
